

# THE EXCHANGE AT LARKSPUR LANDING

## EV CHARGING STATIONS

There are 6 Chargepoint Electric Vehicle charging stations located at The Exchange at Larkspur Landing.

Building 700: 2 located on west side of building.

Building 900: 2 located on north side of building.

Building 1100: 2 located in front of main lobby entrance.

If you do not have a Chargepoint account, you can set one up at [www.chargepoint.com](http://www.chargepoint.com).

If you have issues with your Chargepoint account, please contact them directly for assistance.

If you have issues with the chargers themselves (broken cables, non-functioning system), please submit a service request through the Workspace system and our engineers can reach out to Chargepoint for service assistance on the unit.

We are happy to offer tenants of The Exchange with discounted rates on EV Charging!

First 2 hours FREE!  
\$1.50 per hour (after 2 hours free)

In order to receive your discounted rates, please follow these instructions:

- Log in to your Chargepoint account
- Select your Driver Portal
- Choose 'Connections'
- In 'Connections', Select ENTER CODE
- The tenant code for this location is **Exchange** (the code is case sensitive)
- Select 'Apply'
- It will take about 2 hours for Chargepoint to set up your tenant code. After this time, you will be programmed to receive the tenant discount at this location.
